

Frequently Asked Questions about the Old Firehouse Assistance Center (OFAC)

Current as of 1/17/2017

1. What is the Old Firehouse Assistance Center (OFAC) and what is its purpose?

The Old Firehouse Assistance Center (OFAC) serves the homeless population of McHenry County, Illinois, by providing daytime shelter, meals, showers, grooming supplies, social services, and other services. The OFAC also offers free haircuts every other Wednesday, and minor medical care periodically. Many of the services that we offer at the OFAC are designed to alleviate or eliminate the conditions that caused our guests to become homeless. Our ultimate goal is to locate permanent housing for each of our homeless guests.

2. Why is it called the “Old Firehouse Assistance Center?”

The Old Firehouse Assistance Center’s building housed the City of Woodstock’s fire department until the fire department moved to a bigger facility.

3. Who is responsible for the Old Firehouse Assistance Center (OFAC)?

The Old Firehouse Assistance Center (OFAC) is an entity of the McHenry County Housing Authority (MCHA). MCHA provides the staff, manages the site, and coordinates the volunteers and service providers who come to the site. The City of Woodstock owns the building. The City of Woodstock gives MCHA the use of the building free of charge because the city recognizes the need to assist the area’s homeless population.

4. Where is the OFAC located?

The OFAC is located at 120 W. South St., Woodstock, IL 60098. It is on the corner of South and Throop, right behind Woodstock’s City Hall and just two blocks south of the historic Woodstock Square.

5. What days and hours are the OFAC open?

The OFAC is open from 9 AM – 3 PM, on Tuesdays, Wednesdays, and Thursdays, throughout the entire year. The OFAC is closed on holidays.

6. How many homeless people use the OFAC?

More than 200 homeless guests have visited the OFAC since we opened on January 20, 2016. We usually see at least 35 of those homeless guests per day, but that depends on the day and the weather. Thursdays tend to be our “slow day” during the cold months because a local PADS church emergency shelter site lets their PADS guests sleep in late on that day. When that PADS church site is closed for the season our Thursday numbers increase to equal those of the other days that we are open.

7. What kind of volunteer opportunities are available and how do I apply to volunteer?

We need volunteers to monitor and interact with the OFAC's homeless guests, cook and serve food onsite, provide meals, clean, do laundry, sort supplies, and to provide other assistance and services. Those who are interested in volunteering will be given an "OFAC Volunteer Application" form to fill out. It will ask you the obvious questions, such as your name and contact information, and it will also ask you other questions about yourself. The application helps us to determine who will be a good fit to volunteer at the OFAC.

8. What shifts are available for volunteers who want to monitor and interact with the OFAC's guests?

Each onsite volunteer shift is three hours and fifteen minutes long. There are two shifts available each day, 8:45 AM – 12 PM, and 12 PM – 3:15 PM. The OFAC is open every Tuesday, Wednesday, and Thursday, except for holidays. Volunteers schedule their time with us well in advance of the days that they want to volunteer. The OFAC Volunteer Schedule Calendar is usually completely filled at least a month ahead of time.

9. I want to volunteer, but I work when the OFAC is open. Are there volunteer opportunities that won't conflict with my work hours?

There are many volunteer opportunities for those who work when the OFAC is open. For example, one volunteer arranged for a special collection at her church and then gave the funds to the OFAC. Another volunteer arranged for a collection of socks, and underwear. Volunteers have knitted hats and scarves for our guests, and several volunteers have collected supplies for us. Some volunteers have arranged to have restaurants deliver food to the OFAC. The opportunities are endless.

10. I'm interested in volunteering to monitor and interact with the OFAC's homeless guests, but I'm not sure what to expect and what is expected of me. What can you tell me about the guests?

We want volunteers who are patient, kind, tolerant and understanding of people who are homeless. Our homeless guests may have a variety of challenging conditions, such as mental illness, substance abuse issues, behavioral problems and physical disabilities. Some of our guests may have a criminal history. We do not drug test or breathalyze our guests because even people who are under the influence of a mind-altering substance need our help. Most of our guests, even those who might be high or intoxicated, tend to be well-behaved. Some of our guests can get loud at times and sometimes they can be a bit disruptive, but we do not allow criminal activity or dangerous behavior onsite. Guests who are extremely disruptive or who are threatening others will be assessed by MCHA staff who will determine if the guest needs to leave for the day. MCHA staff will allow the guest to return at a later date if it is safe to do so and it is determined that the guest will be able to control themselves.

11. Why doesn't the OFAC breathalyze or drug test the homeless guests?

Substance abuse is common in the homeless population. Breathalyzing and drug testing are usually used to exclude or eliminate someone from being involved in an activity. We do not breathalyze or drug test because we want to include and assist as many of our homeless guests as possible. And, as mentioned in the previous question, we have found that most of our guests, even those who might be high or intoxicated, tend to be well-behaved.

12. If I want to volunteer to provide a meal, can you suggest a menu? Do I need to bring a dessert? Can food be prepared at home or must it be purchased from a grocery or restaurant?

Almost any type of food is fine, except for foods containing hot spices (some of our guests have health problems and can't tolerate spicy food). We get donuts donated from Swiss Maid Bakery, so we always have something sweet on hand and it is not necessary to bring dessert unless you want to. It is perfectly okay to bring something that is inexpensive but filling, such as Sloppy Joes, spaghetti, or macaroni and cheese. For liability reasons we recommend that the food should be purchased from a grocery, deli, restaurant or caterer. We also allow cooking onsite at the OFAC as our site manager is certified in food safety and sanitation.

13. Besides food, should volunteers who provide meals for the OFAC also provide plastic utensils, napkins, plates, bottles water, juice, milk, etc.?

While we always need and welcome these items, it is not expected that you bring them when you bring meals unless you want to. If we had to pick one item from this list that we need most it would be bottled water. We go through a LOT of bottled water.

14. What does the OFAC need in the way of services?

We welcome any services that might help our guests end their homelessness, or give them something to keep their mind away from smoking or drinking or abusing substances, or assist them in other ways. For example, we have volunteers who conduct AA meetings onsite, another volunteer teaches yoga, relaxation techniques and meditation, and another volunteer, who is a licensed cosmetologist, gives free haircuts. If you have a skill that might be helpful for our guests, please don't hesitate to contact us.

15. What types of supplies and other products are needed for onsite use at the OFAC?

We do not have room for a commercial dishwasher at the OFAC, so we must use disposable food service items. We are always in need of disposables such as paper plates, soup bowls, coffee cups, plastic eating utensils, paper napkins, as well as paper towels, toilet paper, plastic kitchen-sized garbage can liners, large plastic food storage bags, stick-on name badges, etc. We also need staples such as ground coffee, powdered creamer, sugar, bottled water, breakfast bars, large boxes of pasta, large cans of chili, large cans of vegetables, pancake syrup, etc.

We use a lot of the following supplies: full-sized shower gel (no bar soap please, it makes a mess in our shower), shampoo, conditioner, toilet bowl cleaner ("The Works" seems to work best in our hard water), dishwashing liquid, window cleaner, all-surface cleaner, disinfecting wipes, laundry detergent, bleach, etc. All donations to the OFAC are tax-deductible.

16. Does the OFAC need supplies and other items that it can give away to its guests?

We distribute personal care items to our guests and we always need items such as antiperspirant, Q-tips, nail clippers, athlete's foot powder, shaving razors, insect repellent, etc. Travel sizes are appreciated as our guests are usually on-foot and have to carry the items. In addition, our guests often ask for new back packs, rain ponchos, new underwear, and new socks. All donations to the OFAC are tax-deductible.

17. Can I donate cash? Is it tax-deductible?

Yes! Cash donations are always needed and always welcome! All donations to the OFAC, cash or otherwise, are tax-deductible. Checks should be made out to “McHenry County Housing Authority” and “OFAC” should be written in the subject line. Mail or deliver checks to MCHA’s office at 1108 N. Seminary, Woodstock, IL 60098. We will be happy to give you a written acknowledgment of your donation.

18. Are children under the age of 18 able to participate in any way?

We cannot allow minors to volunteer onsite at the OFAC due to liability reasons, however, youth groups have conducted fundraisers for us, and they’ve also done drives for items such as new socks, underwear, hats, gloves, and shower supplies. An Eagle Scout group is currently making a picnic table and benches for us. So, even though the kids can’t actually come inside of the OFAC, we welcome their participation and we send them photos of the results of their efforts.

19. Where can I see photos of what goes on at the OFAC?

Check out our Facebook page: <https://www.facebook.com/OldFirehouseAssistanceCenter/>

20. Who can I contact if I want to volunteer or if I want more information about the OFAC?

Megan Bennett joined McHenry County Housing Authority’s team in November 2016 as the OFAC site manager. Megan does all of the scheduling of volunteers and service providers, and she manages the day-to-day operation of the OFAC. She can answer many of your questions about the OFAC. The best way to reach Megan is by emailing her at: mbennett@mchenrycountyhousing.org.

Sue Rose, Community Services Director of the McHenry County Housing Authority, designed the OFAC concept, was a founder of the OFAC, and is still very much involved in its operation. Sue can answer all of your questions about the OFAC. Sue’s phone number is (815) 338-7752 ext. 137. Sue can also be reached by emailing her at: srose@mchenrycountyhousing.org
