

CSBG Board Vacancy

We have a private-sector vacancy on our CSBG (Community Services Block Grant) advisory board. The CSBG Board monitors the programs and services that are offered through CSBG funding. The CSBG Board meets quarterly at 1:30 PM at the office of McHenry County Housing Authority. The 15 member CSBG Board consists of client, private and public agencies, all of whom have an interest in providing programs and services to the low-income residents of McHenry County. Applicants to the vacant board position must represent a privately-held agency that serves low income McHenry County residents. Voting for the new board member will occur at the next CSBG meeting on Wednesday, December 14, 2011. If you are interested in applying for this board position, please email Sue Rose: srose@mchenrycountyhousing.org
