McHenry County Housing Authority announces ***THE NEW WEATHERIZATION PROGRAM!!!***

MAJOR CHANGES TO THIS YEAR'S PROGRAM!!!!!!:

- We can re-weatherize your home if it was already weatherized in 2007 or before!
- If your furnace is 90% or less efficient we will install a new 96% efficient furnace!
- If your existing AC unit is inefficient we can replace it with a 14 SEER high efficiency unit, central or window unit!
- We can spend up to \$12,000 on your home depending on its energy needs!

This is a Free service to income qualifying residents of McHenry County!! (currently not available to Landlords) The goal of this program is to make your home more comfortable and energy efficient.

Improvements can also include air sealing, insulation, dense packing walls, and repair/replacement of windows and doors.

LIHEAP clients automatically qualify for this program.

Residents who are over income for LIHEAP can still qualify for Weatherization!!
