

Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking

When should I receive this form? A covered housing provider must provide a copy of the Notice of Occupancy Rights Under The Violence Against Women Act (Form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Form HUD-5382) when you are admitted as a tenant, when you receive an eviction or termination notice and prior to termination of tenancy, or when you are denied as an applicant. A covered housing provider may provide these forms at additional times.

What is the Violence Against Women Act (“VAWA”)? This notice describes protections that may apply to you as an applicant or a tenant under a housing program covered by a federal law called the Violence Against Women Act (“VAWA”). VAWA provides housing protections for victims of domestic violence, dating violence, sexual assault or stalking. VAWA protections must be in leases and other program documents, as applicable. VAWA protections may be raised at any time. You do not need to know the type or name of the program you are participating in or applying to in order to seek VAWA protections.

What if I require this information in a language other than English? To read this information in Spanish or another language, please contact McHenry County Housing Authority, 1125 Mitchell Ct., Crystal Lake IL 60014 or go to www.mchenrycountyhousing.org. You can read translated VAWA forms at https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4. If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

What if I am an applicant under a program covered by VAWA? You can’t be denied housing, housing assistance, or homeless assistance covered by VAWA just because you (or a household member) are or were a victim or just because

¹ For information about non-HUD covered housing programs under VAWA, see Interagency Statement on the Violence Against Women Act’s Housing Provisions at <https://www.hud.gov/sites/dfiles/PA/documents/InteragencyVAWAHousingStmnt092024.pdf>.

of problems you (or a household member) had as a direct result of being or having been a victim. For example, if you have a poor rental or credit history or a criminal record, and that history or record is the direct result of you being a victim of VAWA abuse/violence, that history or record cannot be used as a reason to deny you housing or homeless assistance covered by VAWA.

What if I am a tenant under a program covered by VAWA? You cannot lose housing, housing assistance, or homeless assistance covered by VAWA or be evicted just because you (or a household member) are or were a victim of VAWA violence/abuse. You also cannot lose housing, housing assistance, or homeless assistance covered by VAWA or be evicted just because of problems that you (or a household member) have as a direct result of being or having been a victim. For example, if you are a victim of VAWA abuse/violence that directly results in repeated noise complaints and damage to the property, neither the noise complaints nor property damage can be used as a reason for evicting you from housing covered by VAWA. You also cannot be evicted or removed from housing, housing assistance, or homeless assistance covered by VAWA because of someone else's criminal actions that are directly related to VAWA abuse/violence against you, a household member, or another affiliated person.

How can tenants request an emergency transfer? Victims of VAWA violence/abuse have the right to request an emergency transfer from their current unit to another unit for safety reasons related to the VAWA violence/abuse. An emergency transfer cannot be guaranteed, but you can request an emergency transfer when:

1. You (or a household member) are a victim of VAWA violence/abuse;
2. You expressly request the emergency transfer; **AND**
3. **EITHER**
 - a. you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the same dwelling unit; **OR**
 - b. if you (or a household member) are a victim of sexual assault, either you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) were to stay in the unit, or the sexual assault occurred on the premises and you request an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

You can request an emergency transfer even if you are not lease compliant, for example if you owe rent. If you request an emergency transfer, your request, the information you provided to make the request, and your new unit's location must be kept strictly confidential by the covered housing provider. The covered housing provider is required to maintain a VAWA emergency transfer plan and make it available to you upon request. To request an emergency transfer or to read the covered housing provider's VAWA emergency transfer plan, outreach to the Section 8 Director, Public Housing Director, or a housing specialist at the McHenry County Housing Authority, 1125 Mitchell Ct., Crystal Lake IL 60014 at 815-338-7752, www.mchenrycountyhousing.org. The VAWA emergency transfer plan includes information about what the covered housing provider does to make sure your address and other relevant information are not disclosed to your perpetrator.

Can the perpetrator be evicted or removed from my lease? Depending on your specific situation, your covered housing provider may be able to divide the lease to evict just the perpetrator. This is called "lease bifurcation."

What happens if the lease bifurcation ends up removing the perpetrator who was the only tenant who qualified for the housing or assistance? In this situation, the covered housing provider must provide you and other remaining household members an opportunity to establish eligibility or to find other housing. If you cannot or don't want to establish eligibility, then the covered housing provider must give you a reasonable time to move or establish eligibility for another covered housing program. This amount of time varies, depending on the covered housing program involved. The table below shows the reasonable time provided under each covered housing programs with HUD. Timeframes for covered housing programs operated by other agencies are determined by those agencies.

Covered Housing Program(s)	Reasonable Time for Remaining Household Members to Continue to Receive Assistance, Establish Eligibility, or Move.
HOME and Housing Trust Fund, Continuum of Care Program (except for permanent supportive housing), ESG program, Section 221(d)(3) Program, Section 221(d)(5) Program, Rural Housing Stability Assistance Program	Because these programs do not provide housing or assistance based on just one person's status or characteristics, the remaining tenant(s), or family member(s) in the CoC program, can keep receiving assistance or living in the assisted housing as applicable.
Permanent supportive housing funded by the Continuum of Care Program	The remaining household member(s) can receive rental assistance until expiration of the lease that is in effect when the qualifying member is evicted.
Housing Choice Voucher, Project-based Voucher, and Public Housing programs (for Special Purpose Vouchers (e.g., HUD-VASH, FUP, FYI, etc.), see also program specific guidance)	<p>If the person removed was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.</p> <p>For HUD-VASH, if the veteran is removed, the remaining family member(s) can keep receiving assistance or living in the assisted housing as applicable. If the veteran was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days to establish program eligibility or find alternative housing.</p>
Section 202/811 PRAC and SPRAC	The remaining household member(s) must be given 90 calendar days from the date of the lease bifurcation or until the lease expires, whichever is first, to establish program eligibility or find alternative housing.
Section 202/8	<p>The remaining household member(s) must be given 90 calendar days from the date of the lease bifurcation or when the lease expires, whichever is first, to establish program eligibility or find alternative housing.</p> <p>If the person removed was the only tenant who established eligible citizenship/immigration status, the remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.</p>
Section 236 (including RAP); Project-based Section 8 and Mod Rehab/SRO	The remaining household member(s) must be given 30 calendar days from the date of the lease bifurcation to establish program eligibility or find alternative housing.
HOPWA	The remaining household member(s) must be given no less than 90 calendar days, and not more than one year, from the date of the lease bifurcation to establish program eligibility or find alternative housing. The date is set by the HOPWA Grantee or Project Sponsor.

Are there any reasons that I can be evicted or lose assistance? VAWA does not prevent you from being evicted or losing assistance for a lease violation, program violation, or violation of other requirements that are not due to the VAWA violence/abuse committed against you or an affiliated person. However, a covered housing provider cannot be stricter with you than with other tenants, just because you or an affiliated person experienced VAWA abuse/violence. VAWA also will not prevent eviction, termination, or removal if other tenants or housing staff are shown to be in immediate, physical danger that could lead to serious bodily harm or death if you are not evicted or removed from assistance. **But only if no other action can be taken to reduce or eliminate the threat** should a covered housing provider evict you or end your assistance, if the VAWA abuse/violence happens to you or an affiliated person. A covered housing provider must provide a copy of the Notice of Occupancy Rights Under The Violence Against Women Act (Form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Form HUD-5382) when you receive an eviction or termination notice and prior to termination of tenancy.

What do I need to document that I am a victim of VAWA abuse/violence? If you ask for VAWA protection, the covered housing provider may request documentation showing that you (or a household member) are a victim. BUT the covered housing provider must make this request in writing and must give you at least 14 business days (weekends and holidays do not count) to respond, and you are free to choose any one of the following:

1. A self-certification form (for example, Form HUD 5382), which the covered housing provider must give you along with this notice. Either you can fill out the form or someone else can complete it for you;
2. A statement from a victim/survivor service provider, attorney, mental health professional or medical professional who has helped you address incidents of VAWA violence/abuse. The professional must state “under penalty of perjury” that he/she/they believes that the incidents of VAWA violence/abuse are real and covered by VAWA. Both you and the professional must sign the statement;
3. A police, administrative, or court record (such as a protective order) that shows you (or a household member) were a victim of VAWA violence/abuse; OR
4. If allowed by your covered housing provider, any other statement or evidence provided by you.

It is your choice which documentation to provide and the covered housing provider must accept any one of the above as documentation. The covered housing provider is prohibited from seeking additional documentation of victim status or requiring more than one of these types of documentation, unless the covered housing provider receives conflicting information about the VAWA violence/abuse.

If you do not provide one of these types of documentation by the deadline, the covered housing provider does not have to provide the VAWA protections you requested. If the documentation received by the covered housing provider contains conflicting information about the VAWA violence/abuse, the covered housing provider may require you to provide additional documentation from the list above, but the covered housing provider must give you another 30 calendar days to do so.

Will my information be kept confidential? If you share information with a covered housing provider about why you need VAWA protections, the covered housing provider must keep the information you share strictly confidential. This information should be securely and separately kept from your other tenant files. No one who works for your covered housing provider will have access to this information, unless there is a reason that specifically calls for them to access this information, your covered housing provider explicitly authorizes their access for that reason, and that authorization is consistent with applicable law.

Your information **will not be disclosed** to anyone else or put in a database shared with anyone else, except in the following situations:

1. If you give the covered housing provider written permission to share the information for a limited time;
2. If the covered housing provider needs to use that information in an eviction proceeding or hearing; or
3. If other applicable law requires the covered housing provider to share the information.

How do other laws apply? VAWA does not limit the covered housing provider's duty to honor court orders about access to or control of the property, or civil protection orders issued to protect a victim of VAWA abuse/violence.

Additionally, VAWA does not limit the covered housing provider's duty to comply with a court order with respect to the distribution or possession of property among household members during a family break up. The covered housing provider must follow all applicable fair housing and civil rights requirements.

Can I request a reasonable accommodation? If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative accommodations. To request a reasonable accommodation, please contact [Section 8 Director at 815-338-7752, www.mchenrycountyhousing.org]. Your covered housing provider must also ensure effective communication with individuals with disabilities.

Have your protections under VAWA been denied? If you believe that the covered housing provider has violated these rights, you may seek help by contacting Chicago Regional Office of FHEO, U.S. Department of Housing and Urban Development, Ralph H. Metcalfe Federal Building, 77 W. Jackson Boulevard, Suite 2202, Chicago IL 60604; Phone: 312-913-8453 / 800-765-9372. Public reporting burden for this collection of information is estimated to range from 45 to 90 minutes per each covered housing provider's response, depending on the program. This includes time to print and distribute the form. Comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Washington, D.C. 20410. This notice is required for covered housing programs under section 41411 of VAWA and 24 CFR 5.2003. Covered housing providers must give this notice to applicants and tenants to inform them of the VAWA protections as specified in section 41411(d)(2). This is a model notice, and no information is being collected. A Federal agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

MODEL EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

The McHenry County Housing Authority (MCHA) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act of 1994, as amended (“VAWA”), McHenry County Housing Authority (MCHA) allows any tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. VAWA protections are not limited to women and are available regardless of age or actual or perceived sexual orientation, gender identity, sex, or marital status. Victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex (including perceived or actual sexual orientation or gender identity), familial status, disability, or age. HUD-assisted and HUD-insured housing must also be made available to all otherwise eligible individuals and families regardless of age, or actual or perceived gender identity, sexual orientation, or marital status.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance regarding safety and security. The plan is based on Federal regulations at 24 Code of Federal Regulations (CFR) part 5, subpart L, related program regulations, and the model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD). HUD is the Federal agency that oversees that Section 8 Housing Choice Voucher (HCV) program and the Public Housing Program and is in compliance with VAWA.

Definitions

- **External emergency transfer** refers to an emergency relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is, the tenant must undergo an application process in order to reside in the new unit. [ex: transferring a public housing tenant to a housing choice voucher (if available) or housing a housing choice voucher holder in an available public housing unit.]
- **Internal emergency transfer** refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process. [ex: transferring a project based voucher family to another project based voucher unit within an assisted project or offering a tenant based voucher to move if the family has lived in their project based voucher unit for at least one year.]
- **Safe unit** refers to a unit that the victim of VAWA violence/abuse believes is safe.
- **VAWA violence/abuse** means an incident or incidents of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in 24 CFR 5.2003 and “Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking” (Form HUD-5382).

Eligibility for Emergency Transfers

A tenant may seek an emergency transfer to another unit if they or their household member is a victim of VAWA violence/abuse, as outlined in the “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380. This emergency transfer plan provides further information on emergency transfers, and The McHenry County Housing Authority (MCHA) must provide a copy if

requested. The McHenry County Housing Authority (MCHA) may ask for submission of a written request for an emergency transfer, such as form HUD-5383, to certify eligibility for the emergency transfer.

A Tenant is eligible for an emergency transfer if:

1. The tenant (or their household member) is a victim of VAWA violence/abuse;
2. The tenant expressly requests the emergency transfer; **AND**
3. **EITHER**
 - a. The tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if they or (their household member) stays in the same dwelling unit; **OR**
 - b. If the tenant (or their household member) is a victim of sexual assault, either the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or their household member) were to stay in the unit, or the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

The McHenry County Housing Authority (MCHA), in response to an emergency transfer request, should not evaluate whether the tenant is in good standing as part of the assessment or provision of an emergency transfer. Whether or not a tenant is in good standing does not impact their ability to request an emergency transfer under VAWA.

Emergency Transfer Policies

If a family requests permission to move with continued assistance or for an external transfer to another covered housing program operated by the PHA based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will request that the resident request the emergency transfer using form HUD-5383, and the PHA will request documentation in accordance with section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the PHA will document the waiver in the family's file.

The PHA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

Before granting an emergency transfer, the PHA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

The PHA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan and discusses external transfers to other covered housing programs.

Internal transfers when a safe unit is immediately available:

Any request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking will be in writing, will specify a deadline of 14 business

days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The PHA may, in its discretion, extend the deadline for 10 business days. In determining whether to extend the deadline, the PHA will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues. Any extension granted by the PHA will be in writing.

Once the victim provides documentation, the PHA will acknowledge receipt of the documentation within 10 business days. In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the PHA will assist you to move to a safe unit quickly using your existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required.

At your request, the PHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by the PHA
- Other programs administered by the PHA (such as state housing programs)

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the PHA will refer you to organizations that may be able to further assist you.

Internal transfers when a safe unit is not immediately available:

The PHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the

unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

External transfers:

If a family requests permission to move with continued assistance or for an external transfer to another covered housing program operated by the PHA based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will request that the resident request the emergency transfer using form HUD-5383, and the PHA will request documentation in accordance with section 16-IX.D of the Administrative Plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the PHA will document the waiver in the family's file.

The PHA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

Before granting an emergency transfer, the PHA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

The PHA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan and discusses external transfers to other covered housing programs.

VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. The McHenry County Housing Authority (MCHA) may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify The McHenry County Housing Authority (MCHA), www.mchenrycountyhousing.org, 1125 Mitchell Ct., Crystal Lake IL 60014. If The McHenry County Housing Authority (MCHA) does not already have documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, The McHenry County Housing Authority (MCHA) may ask for this documentation in accordance with 24 CFR 5.2007. Unless The McHenry County Housing Authority (MCHA) receives documentation that contains conflicting information, as described in 24 CFR 5.2007(b)(2), The McHenry County Housing Authority (MCHA) cannot require third-party documentation to determine status as a VAWA victim for emergency transfer eligibility. The McHenry County Housing Authority (MCHA) will provide reasonable accommodations to this policy for individuals with disabilities.

IF The McHenry County Housing Authority (MCHA) REQUIRES A WRITTEN REQUEST FOR AN EMERGENCY TRANSFER

The tenant's written request for an emergency transfer must include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or household member) stays in the same dwelling unit; OR
2. In the case of a tenant (or household member) who is a victim of sexual assault, **either** a statement that the tenant reasonably believes there is a threat of imminent harm from further violence or trauma if the tenant (or household member stays in the same dwelling unit), **or** a statement that the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when the assault occurred.

Form HUD-5383 may be used for making a written request for an emergency transfer.

Priority for Transfers

Tenants who qualify for an emergency transfer under VAWA will be given the following priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists.

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the PHA will assist you to move to a safe unit quickly using your existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required.

At your request, the PHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by the PHA
- Other programs administered by the PHA (such as state housing programs)

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the PHA will refer you to organizations that may be able to further assist you.

Confidentiality

If a tenant inquires about or requests any VAWA protections or represents that they or a household member are a victim of VAWA violence/abuse entitled to VAWA protections, The McHenry County Housing Authority (MCHA) must keep any information they provide concerning the VAWA violence/abuse, their request for an emergency transfer, and their or a household member's status as a

victim strictly confidential. This information should be securely and separately kept from tenant files. All the information provided by or on behalf of the tenant to support an emergency transfer request, including information on the Certification Form (HUD-5382) and the Emergency Transfer Request Form (HUD-5383) (collectively referred to as “Confidential Information”) may only be accessed by The McHenry County Housing Authority (MCHA) employees or contractors if explicitly authorized by The McHenry County Housing Authority (MCHA) for reasons that specifically call for those individuals to have access to that information under applicable Federal, State, or local law.

Confidential information must not be entered into any shared database or disclosed to any other entity or individual, except if:

- Written permission by the victim in a time-limited release;
- Required for use in an eviction proceeding or hearing regarding termination of assistance; or
- Otherwise required by applicable law.

In addition, HUD’s VAWA regulations require emergency transfer plans to provide strict confidentiality measures to ensure that the location of the victim’s dwelling unit is never disclosed to a person who committed or threatened to commit the VAWA violence/abuse.

Emergency Transfer Procedure

The McHenry County Housing Authority (MCHA) cannot specify how long it will take from the time a transfer request is approved until the tenant can be placed in a new, safe unit. The McHenry County Housing Authority (MCHA) will, however, act as quickly as possible to assist a tenant who qualifies for an emergency transfer. If The McHenry County Housing Authority (MCHA) identifies an available unit and the tenant believes that unit would not be safe, the tenant may request a transfer to a different unit. The McHenry County Housing Authority (MCHA) may be unable to transfer a tenant and their household to a particular unit if the tenant and their household has not established or cannot establish eligibility for that unit.

If The McHenry County Housing Authority (MCHA) does not have any safe and available units for which the tenant is eligible, The McHenry County Housing Authority (MCHA) will assist the tenant in identifying other covered housing providers who may have safe and available units to which the tenant could move. At the tenant’s request, The McHenry County Housing Authority (MCHA) will also assist the tenant in contacting the local organizations offering assistance to victims of VAWA violence/abuse that are attached to this plan.

Making the Emergency Transfer Plan Available

The McHenry County Housing Authority (MCHA) emergency transfer plan provides further information on emergency transfers, and the PHA must make a copy of its emergency transfer plan available to you if you ask to see it. Please also visit our website at www.mchenrycountyhousing.org.

Safety and Security of Tenants

When The McHenry County Housing Authority (MCHA) receives any inquiry or request regarding an emergency transfer, The McHenry County Housing Authority (MCHA) will encourage the person making the inquiry or request to take all reasonable precautions to be safe, including seeking guidance and assistance from a victim service provider. However, tenants are not required to receive guidance or assistance from a victim service provider.

Public reporting burden for this collection of information is estimated to range from four to eight hours per each covered housing provider's response, depending on the covered housing program. This includes the time to develop program and project-specific emergency transfer policies and develop contacts with local service providers. Comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Washington, DC 20410. This is a model plan and covered housing providers in programs covered by VAWA may, at their discretion, use it to develop their own emergency transfer plans, as required under 24 CFR 5.2005(e). While HUD does not intend to collect emergency transfer plans, HUD may access these plans to ensure compliance with the regulations. A Federal agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

**CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, OR STALKING**

Confidentiality Note: Any personal information you share in this form will be maintained by your covered housing provider according to the confidentiality provisions below.

Purpose of Form: If you are a tenant of or applicant for housing assisted under a covered housing program, or if you are applying for or receiving transitional housing or rental assistance under a covered housing program, and ask for protection under the Violence Against Women Act ("VAWA"), you may use this form to comply with a covered housing provider's request for written documentation of your status as a "victim". This form is accompanied by a "Notice of Occupancy Rights Under the Violence Against Women Act," Form HUD-5380.

VAWA protects individuals and families regardless of a victim's age or actual or perceived sexual orientation, gender identity, sex, or marital status.

You are not expected **and cannot be asked or required** to claim, document, or prove victim status or VAWA violence/abuse other than as stated in "Notice of Occupancy Rights Under the Violence Against Women Act," Form HUD-5380.

This form is **one of your available options** for responding to a covered housing provider's written request for documentation of victim status or the incident(s) of VAWA violence/abuse. If you choose, you may submit one of the types of third-party documentation described in Form HUD-5380, in the section titled, "What do I need to document that I am a victim?". Your covered housing provider must give you at least 14 business days (weekends and holidays do not count) to respond to their written request for this documentation.

Will my information be kept confidential? Whenever you ask for or about VAWA protections, your covered housing provider must keep any information you provide about the VAWA violence/abuse or the fact you (or a household member) are a victim, including the information on this form, strictly confidential. This information should be securely and separately kept from your other tenant files. This information can only be accessed by an employee/agent of your covered housing provider if (1) access is required for a specific reason, (2) your covered housing provider explicitly authorizes that person's access for that reason, **and** (3) the authorization complies with applicable law. This information will not be given to anyone else or put in a database shared with anyone else, unless your covered housing provider (1) gets your written permission to do so for a limited time, (2) is required to do so as part of an eviction or termination hearing, **or** (3) is required to do so by law.

In addition, your covered housing provider must keep your address strictly confidential to ensure that it is not disclosed to a person who committed or threatened to commit VAWA violence/abuse against you (or a household member).

What if I require this information in a language other than English? To read this in Spanish or another language, please contact McHenry County Housing Authority, 1125 Mitchell Ct., Crystal Lake IL 60014 at 815-338-7752, www.mchenrycountyhousing.org. You can read translated VAWA forms at https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4. If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

Can I request a reasonable accommodation? If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative

accommodations. Your covered housing provider must also ensure effective communication with individuals with disabilities.

EMERGENCY TRANSFER REQUEST FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

Confidentiality Note: Any personal information you share in this form will be maintained by your covered housing provider according to the confidentiality provisions below.

Purpose of Form: If you are a tenant of housing assisted under a covered housing program, or if you are receiving transitional housing or rental assistance under a covered housing program, you may use this form to request an emergency transfer and certify that you qualify for an emergency transfer under the Violence Against Women Act (“VAWA”). This form refers to domestic violence, dating violence, sexual assault, or stalking as “VAWA violence/abuse.”

VAWA protects individuals and families regardless of a victim’s age or actual or perceived sexual orientation, gender identity, sex, or marital status.

You may request an emergency transfer when:

1. You (or a household member) are a victim of VAWA violence/abuse;
2. You expressly request the emergency transfer; **AND**
3. **EITHER**
 - a. you reasonably believe that there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the same dwelling unit; **or**
 - b. if you (or a household member) are a victim of sexual assault, either you reasonably believe there is a threat of imminent harm from further violence, including trauma, if you (or a household member) stay in the unit, or the sexual assault occurred on the premises and you request an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

A covered housing provider, in response to an emergency transfer request, should not evaluate whether you are in good standing as part of the assessment or provision of an emergency transfer. Whether or not you are in good standing does not impact your ability to request an emergency transfer under VAWA.

However, submitting this form does not necessarily mean that you will receive an emergency transfer. See your covered housing provider’s VAWA Emergency Transfer Plan for more information about VAWA emergency transfers and see “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380, for additional housing rights you may be entitled to.

Am I required to submit any documentation to my covered housing provider? Your covered housing provider may request documentation proving that you, or a household member, are a victim of VAWA violence/abuse, in addition to completing this emergency transfer request form. The request can be met by completing and submitting the VAWA Self-certification Form (Form HUD-5382), unless the covered housing provider receives conflicting information about the VAWA violence/abuse. If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you may, instead, choose to submit that documentation to your covered housing provider. See “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380, for more information.

Will my information be kept confidential? Whenever you ask for or about VAWA protections, your covered housing provider must keep any information you provide about the VAWA violence/abuse or the fact you (or a household member) are a victim, including the information on this form, strictly confidential. This information should be securely and separately kept from your other tenant files. This information can only be accessed by an employee/agent of your covered housing provider if (1) access is required for a specific reason, (2) your covered housing provider explicitly authorizes that person’s access for that reason, **and** (3) the authorization complies with applicable law. This information will not be given to anyone else or put in a database shared with anyone else, unless your covered housing provider (1) gets your written permission to do so for a limited time, (2) is required to do so as part of an eviction or termination hearing, **or** (3) is required to do so by law.

In addition, your covered housing provider must keep your address strictly confidential to ensure that it is not disclosed to a person who committed or threatened to commit VAWA violence/abuse against you (or a household member).

What if I need this information in a language other than English? To read this in Spanish or another language, please contact McHenry County Housing Authority, 1125 Mitchell Ct., Crystal Lake IL 60014 or go to www.mchenrycountyhousing.org. Your covered housing provider must make this request for documentation in writing. You can choose to submit any one of the following types of documentation:

- Form HUD-5382 *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation*, which asks your name and the perpetrator's name (if known and safe to provide);
- A document signed by a victim service provider, attorney, mental health professional, or medical professional who has helped you address the VAWA violence/abuse. The professional must state "under penalty of perjury" that he/she/they believe in the occurrence of the incident of VAWA violence/abuse and that it is covered by VAWA. Both you and the professional must sign the statement;
- A police, administrative, or court record (such as a protective order) that shows you (or a household member) are a victim of VAWA violence/abuse; OR
- If permitted by your covered housing provider, a statement or other evidence provided by you.

Certification of Tenant: By signing below, I am certifying that the information provided on this form is true and correct to the best of my knowledge and recollection, and that I meet the conditions described on this form to qualify for an emergency transfer.
